

WESLEY GOLF SOCIETY NEWSLETTER FEB/MARCH 2020

BILLINGBEAR GOLF DAY

Our new Captain Steve Murphy welcomed the 18 players to Billingbear on a slightly windy day, but the sun came out and we had an enjoyable 9 holes. The course unsurprisingly was a little muddy especially off the fairways (but who goes there?) The usual lasagne for lunch was excellent and obviously with chips.

Sid stood up and spoke warmly about the sad loss of our dear friend Ray and that the Committee have decided to have a trophy in Ray's name. It will be played at our Maidenhead Golf day, as that was Ray's home club.

Come and join us on Thursday 21 May and you may be our first Binner Winner!

Our thanks to Keith West as our sponsor for the day

Our winners were:

Men's longest drive Tony Monk

Ladies longest drive Ann Monk

Nearest the Pin Geoff Maskell

The Wesley Winner for the day was Tony Monk and the runner up was Ron Lewnadowski . Our guest winner was Paul Johnson

MANY CONGRATULATIONS TO ALL OUR WINNERS

STOP PRESS.....BREAKING NEWS....

John Travolta was taken into hospital with Coronavirus at the weekend but it turned out to be just a Saturday Night Fever!

Doctors have repeated He's Staying Alive, Staying Alive.

(Apparently he just had a chill that kept multiplying)

QUESTION: WHAT DO YOU DO WHEN YOU SEE A SIGN FIXED TO A FENCE?

Answer: You ask Trixie to go and stand next to it!

WINTER HILL GOLF DAY

Steve welcomed our 18 players with a Wuhan Shake or Elbow bump on our first outing at Winter Hill which was a bit of a challenge! The course was in good condition, it drained well and the fairways and greens were also excellent for this time of year. The weather was fine although a bit windy at times and always blowing the wrong way! Why is that?

We had an excellent lunch of fish pie and crumble with ice cream (not altogether) followed by coffee, and Sue Cheale joined us for lunch. The day was sponsored by James.

Gordon thanked Sid for his many years of producing our fixture cards and indeed the Website. The pictures below show Sid at work and rest!

Sid looking for someone.....and he's found him !

OUR WINNERS WERE

James got the wrong sort of mention for possibly winning a Nearest the Tee comp although apparently there is no prize for this (yet)!

AND our winners (again!) were Tony Monk with 24 points and Ron Lewandowski with a winning 25.

Please note this is not the same photo as at Billingbear!
